PROFESSIONAL EXPERIENCE

Marketing Intern May 2026 - Present
IBM

- Designed campaign visuals and video content utilising Figma and IBM Bob translating complex AI and quantum concepts for both technical and non-technical audiences, delivering 40+ assets across IBM marketing and communications campaigns
- Amplified communications for IBM's AI sports club launch with the Perth Bears. Aligned marketing and legal stakeholders, managed fan consent, and edited video production to deliver accurate, on-brand launch assets
- Launched "Dylan Does…", an internal hands-on workshop series. Developed curriculum, demo materials and sample outputs to upskill cross-functional colleagues in various facets of marketing receiving an overall highly positive user feedback

UX/UI & Graphic Design Intern August 2025 - December 2025
Process Creative

- Balanced 4 retainer clients requiring ongoing UI/UX updates by designing and iterating on interface components, layouts, user personas, and user journeys, resulting in consistent and timely delivery and handoff clarity for developers
- Devised marketing assets, including 50+ static visuals and motion design pieces, to showcase UI/UX work, helping communicate design value to clients and external audiences
- Collaborated with senior designers and cross-functional teams by preparing annotated prototypes and presentation materials, improving alignment and efficiency during internal reviews and client presentations

UI/UX Designer Intern September 2024 - February 2025
OpenOnion

- Cooperated with cross-functional teams to conduct usability testing sessions using user interviews with participants, leading to the identification of key pain points, resulting in a 30% reduction in task completion time through iterative design
- Utilised Figma to design visually appealing interfaces including wireframes, mockups, and prototyping for a Chrome extension project, ensuring accessibility and WCAG standards are upheld
- Liaised and ideated closely with founder and team to come up with solutions and innovative ideas for products

Pr & Advertising Intern April 2024 - June 2024
Australian Human Rights Commission

- Coordinated marketing efforts for a large conference of over 1300 attendees
- Researched and compiled contact information for 30 university societies, lecturers, and professors to develop targeted outreach campaigns, resulting in a 15% increase in student attendees

Graphics and Communication Volunteer February 2024 - April 2024
ScreenApp

- Created a new logo and branding concept for every channel, ensuring consistent branding is used in different social media channels
- Cooperated in UX writing content for blogs to ensure SEO optimisation leading to an increase in search results
- Liaised with the founders to present the logo and branding

Graphic Designer Intern December 2019 - January 2020
Notre.id

- Formulated social media posts, increasing 30% in engagement across social media platforms
- Devised vouchers, price tags, banners, and paper bags with the brand identity in mind

EDUCATION

Bachelor of Design/Media 2022 - 2026
University of New South Wales

- Final Year Student, specialising in Graphics and Interaction and PR and Advertising

LEADERSHIP EXPERIENCE

HR Subcommittee March 2024 - December 2025

University of New South Wales Design Society

- Organised events for up to 30 people, collaborating with 5 other subcommittee members
- Created and Hosted events related to career building for design students
- Cooperated in logistics and liaised with industry partners
